# What We Offer at Hedgepoint

## Managing price and currency risk across global markets

Hedgepoint Global Markets is a global company specialized in financial risk management for the agricultural, energy, and FX sectors. We combine proprietary market intelligence, a global presence, and tailored hedge products to support confident decision-making and protect our clients from market volatility.

### Agricultural Commodities

Risk management for grains, oilseeds, sugar, coffee, and cocoa.

### Energy Commodities

Price risk protection for diesel, gasoline, and natural gas.

### Foreign Exchange (FX)

- Non-deliverable forwards (NDFs) and options for currency exposure
- Multi-currency hedging across Latin America and Southeast Asia
- Dedicated FX desk with transparent service and easy access to experts
- Global operations with focus on liquidity, compliance, and execution speed.

**Global reach. Local expertise.**  
Presence in Brazil, Argentina, Colombia, Switzerland, United States, United Arab Emirates and Singapore.

As part of our offering, the **Hedgepoint HUB** is a growing digital platform that brings together **hedge-related courses, market intelligence reports, and portfolio management tools** — delivering more transparency, education, and confidence in managing price and currency risk.
